TUITION, ENROLLMENT & ESA GUIDE

2026–2027 Academic Year

Welcome

Thank you for your interest in Lūminé Academy.

This guide explains the enrollment options, tuition, payment plans, scholarships, and enrollment process for the 2026–2027 academic year. Our goal is to make the enrollment process as clear and straightforward as possible so that families can make informed decisions with confidence.

Enrollment Options

Lūminé Academy currently offers A.S.K. Language Arts for students in Grades 3–6 through three learning pathways.

Option 1 — Independent Learning

Printed Curriculum with Selected Companion Videos

Families who prefer to teach independently may purchase the printed Teacher's Editions and Student Editions through Amazon.

The printed curriculum includes complimentary access to selected instructional Companion Videos. These videos model key lessons from each unit and provide students and parents with guidance for beginning the curriculum successfully.

This option does **not** include access to the complete collection of recorded lessons, downloadable Student Editions through the student portal, or live instruction.

Option 2 — Self-Paced Online Program

Complete Guided Video Instruction

Students receive access to the complete collection of professionally recorded lessons and downloadable Student Editions through the secure Lūminé Student Portal.

Lessons are released throughout the school year according to the official Lūminé Academy Academic Calendar, allowing families to remain on pace while enjoying the flexibility of learning at home.

Students may work at times that best fit their family's schedule while progressing through the course as lessons become available.

Option 3 — Live Cohort

Full Teacher-Led Experience

Students participate in small live online classes through the Lūminé Academy online classroom. Class recordings, course materials, and student resources are accessed through each student's secure Lūminé Student Portal.

Each cohort is intentionally limited to **twelve students** to encourage meaningful discussion, individual attention, and strong classroom community.

Live cohorts meet according to the published Lūminé Academy Academic Calendar.

All Enrollment Pathways

All three pathways use the same collection of carefully selected children's literature. Families are responsible for obtaining these books separately from tuition or curriculum purchases.

The current literature list, along with purchasing links, is available on the course page of the Academy website.

Tuition and Payment Schedule

Self-Paced Online Program

Families may choose one of the following payment options:

Pay in Full (Best Value)

$800 (20% discount: Save $200 by paying in full at the time of enrollment.)

OR

Four Automatic Monthly Payments

4 monthly payments of $250

Four equal monthly payments of $250 will be charged automatically to the payment method on file.

Students enrolled through a payment plan acknowledge that continued course access depends upon maintaining the account in good financial standing. If an installment payment fails, course access may be temporarily suspended until payment has been successfully processed. Once the account returns to good standing, access will be restored automatically.

Course Access

Enrollment includes access to the course through **June 30, 2027**.

Families wishing to continue reviewing course materials after June 30 may purchase an additional **one-month Summer Access Pass** for **$150**.

Live Cohort

Annual Tuition: $1,800

Annual Tuition includes:

- Live instruction
- Student portal access
- Access to class recordings when available
- Parent communication
- Student feedback
- Curriculum support throughout the school year

Applications are accepted on a rolling basis until each cohort reaches its enrollment limit.

Families are asked to review and electronically sign the Enrollment Contract before submitting the Live Cohort Application.

After a student's application has been accepted, families will receive enrollment instructions appropriate to their selected payment method, including ESA funding procedures where applicable. Tuition payment or the ESA funding process must be initiated within five calendar days of the acceptance email and completed no later than five calendar days before the first class meeting, unless other arrangements have been approved by the Academy.

If payment has not been received or the ESA funding process has not been initiated by the applicable deadline, the student's reserved seat may be offered to another interested family.

Discounts

Sibling Discount

Families enrolling more than one child during the same academic year receive a **10% tuition discount for each enrolled sibling.**

The sibling discount applies to:

- Live Cohorts
- Self-Paced Online Program

Each student is expected to maintain an individual enrollment and student portal account so that progress tracking and student records accurately reflect each learner's work.

The sibling discount is applied automatically during checkout.

Future Bundle Discounts

Beginning with future middle school programs, Lūminé Academy may offer bundle pricing for students enrolled in multiple courses simultaneously.

These discounts are not applicable during the 2026–2027 school year.

ESA Funding

Lūminé Academy is an approved vendor for eligible Education Savings Account (ESA) programs, including Arizona and Utah.

Families using ESA funding will follow a slightly different enrollment process.

After acceptance:

- An invoice will be prepared for the appropriate ESA program.
- Parents submit the invoice through their state's funding system.
- Enrollment becomes active after funding has been approved and received.

Seats for accepted ESA students will be reserved while ESA funding is being processed, provided the funding process is initiated within five calendar days of the acceptance email. Funding must be completed no later than five calendar days before the first class meeting unless other arrangements have been approved by the Academy. If funding has not been received by the applicable deadline, the seat may be offered to a family on the waitlist.

ESA funding may also be used for the Self-Paced Online Program.

Withdrawal & Refund Policy

Refund Policy for Live Cohort

Because each Live Cohort is intentionally limited to twelve students, each accepted enrollment reserves one of only twelve available seats that cannot easily be offered to another family after classes begin.

Families who withdraw on or before the published withdrawal deadline will receive a refund of 75% of tuition paid.

After the withdrawal deadline, tuition becomes non-refundable because the Academy has reserved one of only twelve available seats and committed instructional time and resources for the student's participation.

In extraordinary circumstances, the Director may, at her sole discretion, consider exceptions on a case-by-case basis. Any exception shall not establish a precedent for future enrollments.

Withdrawal deadline: A written request to withdraw must be received by 5:00 p.m. Mountain Time on the first Friday of the academic year.

Refund Policy for Self-Paced Online Program

Because access to the Self-Paced Online Program begins immediately upon enrollment and includes access to proprietary digital materials, purchases of the Self-Paced Online Program are non-refundable.

If technical problems prevent access to the course, Lūminé Academy will make reasonable efforts to resolve those issues promptly. Technical support does not constitute grounds for a refund.

Families are encouraged to explore the extensive information, videos, sample materials, and curriculum descriptions available on the Lūminé Academy website before enrolling so they can make an informed decision with confidence.

Required Course Materials

Students are expected to obtain the required literature before the beginning of the school year.

The current book list is available on the Academy website and may be updated prior to the beginning of each academic year.

Live Cohort Enrollment Process

1. Review the Academy information, tuition guide, and enrollment documents available on the website.
2. Review and electronically sign the Enrollment Contract.
3. Submit the Live Cohort Application.
4. Director reviews the application.
5. If accepted, submit tuition payment (or begin the ESA funding process).
6. Receive your Welcome Packet and portal access.
7. Begin your Lūminé Academy journey.

Questions?

If you have questions at any point during the enrollment process, please contact Lūminé Academy. We are always happy to help families determine whether the academy is the right fit for their educational goals.
